

## CAAG Mission Statement

The mission statement of the Conditioned Air Association of Georgia (CAAG) is to assist and enable CAAG members in every way possible to acquire, serve, and satisfy their customers by...

-  
providing the highest quality technical and management information and services,

-  
promoting good business ethics and sound business practices,

-  
being the standard of excellence by which all others are measured,

-  
promoting the genuine concern for the safety and satisfaction of customers by providing quality products and services
